Professional Learning Opportunities

Programmes for teachers, school leaders and support staff across the Western Cape

Welcome

The Cape Teaching and Leadership Institute (CTLI) is the Western Cape Education Department's home for professional learning. Every year we bring teachers, school leaders and support staff together to sharpen their practice, share what works and grow as professionals.

This catalogue lists the professional learning opportunities offered in 2026. They are arranged term by term, and within each term by phase or unit, so you can plan your year and quickly find what is relevant to you. Each entry tells you what the opportunity is about, who it is for, how it is offered and when it runs.
